Printing & artwork

We are a website and graphic design company based in Worthing, West Sussex. We offer a range of services from printing great value flyers and leaflets, through to designing your logo and producing all the artwork for your catalogues, stationery, leaflets and promotional items, plus much more, we also specialise in photograph restoration.

Websites & hosting

We offer individually designed websites, including e-commerce shops and content managed sites, we also provide low cost web hosting and domain names. If you have an existing website we can update this for you or produce new animations, banners and images for your site.

*Please see the inside back cover for information on prices, ordering, delivery & payment
All advertisers in this price list are existing customers of Truman Designs*

Our prices

We do not charge vat and there are no hidden extras so the price you see is the price you pay. We have thousands of print prices available but too many to list here, if there is an item or quantity you require but can't see it listed then please contact us for a same day quote.

Ordering

Once you have chosen the item you require, please email or phone your request. Alternatively most of our products can be ordered and paid for via our website.

Delivery

Your printing will be delivered to your chosen UK address FREE of charge within 7 days of placing & paying for your order. If you require your printing in a hurry then a 3 and 5 day delivery service is available at a small extra charge. Fast delivery is not available through our website. Your printing can also be collected from our office.

Payments

Printing and hosting is paid for up front when you place your order, websites, artwork & photo restoration will be invoiced once the job is complete, then you have 7 days to pay. Please contact us if you require a payment plan.

You can pay by cash, cheque, postal order, internet banking or credit and debit card. Cards are processed through paypal via telephone or our website payments page, you don't need a paypal account to use this facility.

Satisfaction guarantee

If for any reason you are unsatisfied with any of our services, then we will continue amending your work until all issues have been resolved.

Domain namesFREE*
 The first thing you need when setting up a website is your domain name, for example: www.yourdomain.co.uk. You can't guarantee that your chosen name will be available so it is always best to check first.

Hosting£52 a year
 Once you have your domain you will need hosting, this is basically renting web space to put your new site on. Our hosting is great value and comes with many additional features, including:

Unlimited web space

There is no limit on the picture and file sizes either on or attached to your website

Unlimited email addresses

Order as many email addresses as you like

Mailbox control panel

For you to change your email passwords, settings and set up auto reply messages

Unlimited bandwidth

No limit on how many people can view your site at once

Instant activation

Your hosting account is live instantly but it may take up to 48 hours for the domain name to become active

No adverts or banners

No links to the hosting company or adverts will be on your site

99.9% uptime guaranteed

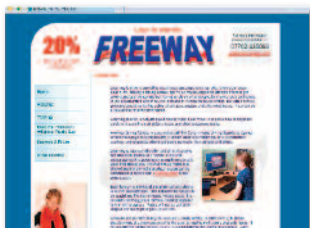

Your site will nearly always be live on the internet without any faults or technical errors

Unlimited domain aliases & forwarders

Have one website with an unlimited amount of domain names associated with it

Free transfer away

If you decide to leave our hosting account, we will not charge you like some other hosting companies do

**Domain names are free with our hosting, or if you have an existing domain name it can be transferred over to us. We strongly recommend you order your domain and hosting together as it can take time and money transferring your domain to a hosting account at a later date.*

Websites

We create all our websites from scratch without using past sites as templates so your site will be unique. Our prices cater for everyone with small sites from just £50 to £1000 for a CMS site.

There are many price and feature combinations for websites, if you would like a personal quote then please contact us and we can design you a website to fit your budget and criteria.
